# CROSSROADS CHRISTIAN SCHOOL

## STATEMENT OF FAITH

---

---

1. We believe that the Bible is the only Word of God consisting of the 66 books of the Old and New Testaments, is verbally inspired of God, inerrant in the original writings and that they stand exclusively with no additions and are the supreme and final authority in faith and life.
2. We believe there is only one Living and True God eternally existing in three persons—Father, Son and Holy Spirit, the same in substance, equal in power and glory.
3. We believe that Jesus Christ was conceived by the Holy Spirit and born of the virgin Mary, and is true God and true man, and as such He lived a perfect sinless life.
4. We believe that man was created in the image and after the likeness of God, that he sinned and thereby incurred not only physical death but also spiritual death which is separation from God; and that all human beings are born with a sinful nature which is enmity against God, and in the case of those who reach moral responsibility, become sinners in thought, word and deed.
5. We believe that the Lord Jesus Christ died for our sins according to the scriptures as a representative and substitutionary sacrifice, and that all who believe in Him are justified on the ground of His shed blood and righteousness.
6. We believe in the resurrection of the crucified body of our Lord, in His ascension into Heaven, and in His present life there for us as High Priest, Advocate, and the **only** Mediator between God and man.
7. We believe in the personal and bodily return of our Lord Jesus Christ to set up His kingdom upon the earth to reign in righteousness and justice.
8. We believe that salvation is by grace through faith, and that all who receive by faith the Lord Jesus Christ are born again of the Holy Spirit and thereby become children of God and that the Holy Spirit indwells all believers.
9. We believe there are two sacraments, Baptism and the Lord's Supper, which are divinely enjoined upon all Christians. Without merit in themselves, they provide an expression of faith regarding the believer's identification and fellowship with Christ.

10. We believe in the bodily resurrection of the just and the unjust, the everlasting blessedness of the saved, and the everlasting conscious punishment of the lost.

11. We believe the church is the body of Christ. Its mission is to make the gospel known to every person and to teach those who become disciples all things which Jesus commanded so that they may adequately serve Him.

---

---

## PHILOSOPHY

---

Crossroads Christian School exists primarily as a ministry of Protestant evangelical Christian parents and teachers to their covenant children.

We believe God has given parents the responsibility for educating their children, and thus the school is to function as an extension of the home. Crossroads Christian School supplements what is learned at home by teaching love and obedience to God, by pursuing academic excellence, and by developing Christian character and social graces. Young children need to spend most of their time at home in order to internalize family values, to learn by working, experimenting, and observing within the home and God's creation. Parents should take the primary role in the educational experience.

We believe man can have a personal relationship with God and have eternal life through Jesus Christ, God's only Son, the second person of the Trinity. Jesus said in John 14:6, *"I am the way, and the truth, and the life; no one comes to the Father, but by me"*. We believe that Jesus Christ is the truth, the way of salvation and relationship with God, and the way of eternal life. This good news will be shared with the students of Crossroads Christian School. It is our deepest desire that each student develop a true and meaningful relationship with God through Jesus Christ our Lord.

We believe that all truth is God's truth, and God has inerrantly and infallibly revealed His truth exclusively in the Bible. This truth is the foundation for all aspects of our school. God's truth should be integrated into a balanced curriculum in such a way that students will learn Christianity as a way of life. The development of godly character takes precedence over the accumulation of knowledge. The ultimate goal of Crossroads Christian School is to teach its students to love and glorify God in all they do.

We believe that content and teaching methods grow out of definite philosophies and religious beliefs. Since God gave His people the responsibility of subduing this world, the study of history, science, math and all areas of knowledge is a Christian endeavor to be pursued from a perspective that gives reverence to the Creator.

We believe that God gives different gifts and even the same gifts in different measure. Since every child is different, individual attention should be given to each student based on spirituality, maturity, intellectual capacity, and learning styles. Students should work to understand and apply useful knowledge and skills in order to become better persons and to serve Christ by serving others.

We believe godly teachers perform a most honored and vital ministry in the education of our children. The teacher represents the parent at school and should direct the students to submit to the truth and love of Christ. Teachers and parents will work in harmony in educating the children. The teacher should love to teach, love the children, and desire to continually grow in his or her ability to teach creatively. Creative thinking should be fostered by the teacher but always focused toward the truth and love of Christ. The teacher is a role model and should desire the grace and lordship of Christ to be demonstrated in his or her life.

We believe that prayer is vitally important as we seek to support one another and aid our children in their spiritual, emotional and academic growth. To demonstrate our real dependence upon God for the complete growth of our children, parents and teachers will unite once a month in prayer that God might be glorified through our covenant children.

## THE EDUCATIONAL ROLES AND RESPONSIBILITIES OF TEACHERS, PARENTS AND STUDENTS

---

---

We believe that teaching methods are not neutral but rather grow out of definite philosophies and religious beliefs. Under the guidelines of biblical direction, a school's methodology of education is determined by three important factors—the nature of the child, the role of the parent, and the role of the teacher.

### *The Child as a Learner*

We believe that the basic nature of every person, whether child or adult is a sinful one, needing to be renewed through a personal relationship with Jesus Christ. At the same time, all mankind was created in the image of God, giving them pre-eminence over all created beings. In short, all children are special in God's sight. Yet until their eyes are opened by the Holy Spirit, their education will be partial in understanding.

Due to the complexity of human nature, not all children learn to the best of their ability using the same methodology. Since every child is different, individual attention must be given to each student based on spirituality, individual maturity, and intellectual capacity, using a variety of methods.

### *The Teacher as a Parent*

We believe that the role model of a teacher is an important one. For this reason, much attention will be placed on the qualification of teachers. We will choose only teachers who exhibit a lifestyle worthy of being a model to students and who genuinely love their work and their students. We believe that a Christian school should provide a high standard of education. In order to assure this, all faculty must pass qualification standards both educationally and spiritually, as set by our Parent Board.

We believe that the teacher must be in close contact with the parents of his/her students and be able to operate in a parental role in their training and discipline; therefore, the teachers will distribute a weekly parent letter.

We believe that the character of the teacher is the primary element in teaching rather than the curriculum or the environment.

### *The Parent as a Teacher*

We believe that the parents have the ultimate responsibility and authority for the education of their children (Deuteronomy 6, Ephesians 6:4). Consequently, we believe that the school does not have the right to undermine the authority of the parent. However, as long as the child is enrolled, it is important that the parents work in cooperation with the teacher and submit to school policies.

Because we do believe in the ultimate responsibility and authority of the parent and because the parent plays the most significant role in determining the student's spiritual character, academic capabilities, social convictions and physical conditioning, we have designed our teaching methodology around the parent role model.

In order to assure the adequate involvement of parents in their child's school education, parents are asked to support and comply with the requirements of the *Family Commitment Agreement* of Crossroads Christian School.

## PRINCIPLES OF OPERATION

---

---

These principles describe how our philosophy will be implemented at school.

1. We require the parents of a child attending Crossroads Christian School to be born-again Christians who seek to demonstrate the lordship of Christ in all areas of life. The parents should be members in good standing of a Protestant evangelical church.
2. We believe that young children should spend as much time at home as possible; therefore, our school days are shorter than traditional schools. By dismissing earlier each day, children will have more time at home with parents to observe and internalize family values.
3. Students are expected to arrive at school promptly at 8:30 am. This allows students time to prepare for the day and to begin any morning work that is required by the teacher.

Students will be counted tardy at 8:40 am.

Times listed below are arrival and dismissal times for all grades:

Kindergarten	8:30am - 12:30pm	Tuesday - Friday
1st & 2nd grade	8:30am - 12:30pm	Monday - Friday
3rd grade	8:30am - 12:30pm	Monday and Friday
	8:30am - 2:40pm	Tues., Wed. & Thursday
4th-8th grades	8:30am - 2:40pm	Monday - Thursday
	8:30am - 12:30pm	Friday

4. Parents will take an active role in the educational experience of their child. This will include taking turns planning, coordinating and teaching enrichment days in 1st and 2nd grades. In the upper grades, parents may be asked to assist the teacher in areas of science and social studies, special projects and events, if needed, and coordinate or drive for at least one field trip. Parents of all students are required to substitute teach in their child's class up to two times per year, if needed.
5. The ultimate goal of Crossroads Christian School is to teach our students to love God and glorify Him in all they do. The leadership of Crossroads Christian School wants the educational experience of each child to be positive and exciting so that he may enjoy and experience God as he is learning. Hence, we will seek to stimulate the child's imagination and love for learning throughout his education.
6. Because of the definite educational benefits, our philosophy requires that the number of students per class remain quite small.

7. In grades K-3, we believe that numerical percentages and letter symbols are not the best form of student evaluation. This type of grading may cause students to work for grades rather than goals. Instead of working to understand useful knowledge and skills, students may become distraught over the importance of grades. Students will be tested and evaluated for performance and competency. Because of the close parent-teacher relationship, parents will be informed continually about their child's strengths, weaknesses, areas that need reinforcement at home, etc. In grades 4 and above, proper use of grading may act as a motivation and standard of objective assessment of student progress. Even here, however, we recognize the inability of grades to fully evaluate the effort and achievement of children created in the image of God.
8. In the instances when enrollment of one grade does not meet desired levels two grades may be combined in one classroom. In such cases, the developmental level of each child will continue to be respected by the teacher.
9. We believe prayer is an essential part of our duties as parents. As we pray together, we are strengthened for the task of educating our children. Therefore, Prayer and Share meetings are held each month. All parents are expected to attend as we pray specifically for the needs of the school, individual classes, teachers, and each student. Attendance will be taken to encourage covenant accountability.
10. Our curriculum is carefully evaluated and periodically updated by a committee designated by the Parent Board. Christian philosophy will be integrated into all areas of study whether or not the texts or literature is from a Christian publisher.
11. We recognize that children in the same grade will often be at different academic stages. Teachers will make every effort to challenge students at differing levels within the parameters of the curriculum.

## PARENT BOARD

---

---

Crossroads Christian School functions under the authority of a volunteer Parent Board composed of 6 to 10 parents of students currently or previously enrolled in the school. No more than 2 board members may be parents of former Crossroads students at any one time. Board members agree to serve a 2 year term but are limited to 2 consecutive terms. A parent may serve on the board again after 1 year of absence if requested to do so.

The Parent Board is responsible to uphold the unique philosophy of our school. Anyone who agrees to serve must commit himself/herself to uphold the *CCS Philosophy, Statement of Faith, Family Commitment Agreement, and Code of Discipline*. The Parent Board, on behalf of the school parents, delegates authority to the classroom teachers and the school administration.

The Parent Board is responsible for setting school policy and for overseeing the general operation of Crossroads Christian School.

Parents are expected to use the proper channels of communication when expressing a concern about a classroom problem. The classroom teacher should be the first person contacted and with whom an attempt is made to remedy the problem. After this step has been taken and if no solution can be found, the Principal should be consulted in a meeting with parents and teacher in order that parent, teacher, and principal can lovingly apply his/her perspective, in an attempt to find a solution to the problem. The Parent Board can then be consulted if no satisfactory solution is reached. In general, the Matthew 18 principle is expected.

# SECTION TWO

## *Admissions and Registration*

## ADMISSIONS POLICY

---

---

1. Crossroads Christian School admits students of any race, color, national or ethnic origin to all rights, privileges, programs and activities generally accorded or made available to students at the school.
2. This school exists primarily as a ministry to covenant children. The school reserves the right to deny admission to a child if his ability, behavior or emotional development indicates that he would not be best served by our school program. Testing for readiness for the child's entrance grade is required before acceptance. Christian training in the home and prayer must be a part of each family's activities before being considered for enrollment. Both parents must be born-again believers and must also be members in good standing of a Protestant evangelical church.
3. A written application for enrollment and an application fee must be submitted.
4. To enroll a child in Kindergarten, we require that the student be 5 years old before September 1. To enroll a child in the first grade, we require that the student be 6 years old before September 1.
5. Since our class sizes are kept quite small, maximum enrollment can be reached quickly. The application process begins upon receipt of the application packet and application fee. The process includes grade readiness testing and an interview with the admissions committee. We reserve the right to deny any student admission based on the admissions committee evaluation process.
6. A birth certificate and a certificate of immunization (or waiver form) for all incoming students should be submitted to the school before the first day of the school year. These immunization forms can be obtained either from your doctor or the county health department.
7. Final admission to Crossroads Christian School will be determined after all admission requirements are met. Notice of acceptance or non-acceptance will follow the interview sessions in writing.
8. A 30-day and 90-day review will take place to evaluate the student's assimilation and progress at CCS.

**DIVORCED OR SEPARATED PARENT POLICY  
AND WAIVER AGREEMENT**

---

---

The purpose of this document is to ensure that there are no misunderstandings regarding the duties, responsibilities and participative ability of parents either separated or divorced with children enrolled at Crossroads Christian School when the non-custodial parent has visitation privileges. This document must be read and signed each year of school enrollment to renew your understanding that our policy has not changed and to indicate your intentions regarding allowances of non-custodial parent participation.

Please provide the following:

Child's name to be enrolled as a student at CCS \_\_\_\_\_

Primary legal custodian of child named above \_\_\_\_\_

Non-primary custodial parent of child named above \_\_\_\_\_

Status of parents of child (circle one):

Divorced   Separated   Other (explain) \_\_\_\_\_

Crossroads Christian School maintains the following policy regarding divorced and separated parents:

1. Applicant enrolling the student must be the Primary legal Custodian of child to be enrolled.
2. The child being enrolled as a student must have his/her primary residence at the same address as Applicant's.
3. Applicant must have primary responsibility of health care and related issues for the child being enrolled.
4. Applicant, as Primary Custodian of the child being enrolled, is required to meet all parent commitments as required by CCS for all other students. The non-primary parent agrees to NOT attend any school functions or events (except for all-campus functions) without the written permission of the Primary Custodian with such written permission being provided by the Primary Custodian to the CCS Administrator a minimum of twenty four hours in advance of any such function or event.
5. Both the Applicant/Primary Custodian and the Non-Primary Parent understand and agree that the financial obligation to CCS for the Child is the responsibility of both parties and each shall ensure that all such obligations are timely met without any responsibility of CCS to determine which party is to pay which amounts or when.
6. In cases when the enrolled child's parents separate or file for divorce during the school year, parents are required to contact the Parent Board who will then

determine if all family commitments can continue to be met under the circumstances including tuition payments, church membership in good standing, enrichment days, parent meetings, attendance, etc. A copy of the Agreement will be sent to the parents, signed and returned in order for enrollment of the child to continue.

7. In cases where a child's parent is placed under church discipline during the school year due to separation or divorce, the parent is not considered to be a member in good standing and therefore not allowed to participate in parent-led school activities such as class parent meetings, chapel, service/class projects, and enrichment days/field trips.
8. In the event of separation, divorce or coming under church discipline, the custodial parent must make arrangements to pick up any school responsibilities already delegated to the non-custodial or under-discipline parent.
9. If separation, divorce, or coming under church discipline results in it becoming necessary to withdraw your child during the school year, written notification must be received in advance of the withdrawal date. Parents are responsible for paying the full tuition and fees for the academic year. Because the school's expenses are incurred on an annual basis, the school cannot release parents from their financial obligation. All appeals must be expressed in writing to the Parent Board. In addition, records will not be forwarded to another school until all financial obligations have been satisfied.

Please indicate that you have read and agree to abide by this policy in regards to how it applies in your family situation. Failure to sign and return this form with your admissions or re-enrollment form and Parent Contract could jeopardize your child's place in next year's class.

## WITHDRAWALS

---

---

If a parent chooses to voluntarily withdraw his child from CCS during the school year, written notification must be submitted to the administration. Tuition must be paid in full for the school year before student records will be released.

After re-enrollment in January, if for any reason a parent chooses not to return to Crossroads the following year, there may be some financial obligation. If withdrawal is before the end of the current school year, there will be no penalty. If withdrawal takes place after the last day of school but before the first day of the re-enrolled school year, book fees as well as the first month's tuition are due. Student records will be released when family accounts are paid in full.

# SECTION THREE

## *Educational Policies*

### **I. Covenant Communication**

The key to the covenant relationship with parent and teacher is communication. The key to successful communication is awareness, sensitivity, and frequency.

The spirit of communication between parents and teachers should echo the spirit in Colossians 4:6 which says, *“Let your conversation be always full of grace, seasoned with salt, so that you may know how to answer everyone,”* and I Thessalonians 5:11 which says, *“Therefore encourage one another and build each other up, just as in fact you are doing.”*

#### **The Matthew 18 principle (Matthew 18:15)**

*“If your brother sins against you, go and show him his fault, just between the two of you.”*

#### **Practical aspects of resolving conflict**

Example: Your child comes home with a story of being mistreated by another student.

1. Get all of the facts from your child.
2. Pray!
3. Call the parents of the other student only. This is not a topic of discussion for any other parents that are not directly involved. Resolution should be handled at this level.
4. If resolution cannot be reached, then the teacher and/or administrator should be brought into the situation. Depending upon the circumstances, the Parent Board will also be notified.
5. In all things, act in love.

Example: Your child has a conflict with his/her teacher.

1. Get all the facts from your child.
2. Pray!
3. Remember that your child’s teacher has his/her best interest at heart.
4. Contact the teacher by phone or in-person and ask her to help you further understand the situation.
5. Teachers have also been instructed by the administrator to contact parents directly when the need arises.
6. Parents and teachers should give one another the opportunity to fully explain their views.
7. If no resolution can be reached, the administrator should be asked to become involved, and he/she in turn will involve the Parent Board if necessary.
8. In all things, act in love.

**Please remember, gossip is not covenant. (Ephesians 4:29)**

## **II. Discipline**

The word *'discipline'* means *"to make a disciple."* *Two important factors for effective discipline are properly established authority and consistent application.*

### **A. Proper Authority**

1. As already set forth, the ultimate authority is God Himself and therefore, His written Holy Word.
2. As the next highest authority over the individual student, our school parents delegate to the Parent Board the responsibility to determine the school's philosophy of education and set school policies.
3. In order to provide leadership and authority over teachers and students, we employ an administrator who is given discretion over all matters of discipline.

### **B. School Conduct Expectations**

1. Students are expected to respect each other as a person, an image-bearer of Christ.
2. Students are expected to respect each other's property.
3. Students are expected to give good reports. This includes refraining from gossip, slander, and complaining about fellow students or teachers.
4. Students are expected to remember that family convictions are not always peer convictions. Parents may set standards for their family that others may not practice. Students must be careful not to judge spirituality or character of another child based on differing family standards. This requires Christian maturity and parental guidance.
5. Students are expected to refrain from judging others due to style of dress or expense of clothing. Though most people look on the outward appearance, we encourage our students to base relationships on the heart.

### **C. Effective Discipline**

All discipline is to be firm, fair, and consistent as set forth in the Scriptures (Proverbs 22:15, Hebrews 12:6, Revelation 3:19). Teachers and the administration will make every effort to deal with behavior problems creatively, calling on the parent's input as necessary. If a child continues to have serious behavioral problems, a parent may be asked to be present in his or her child's class for a certain period of time or until the teacher feels the child's behavior has improved sufficiently. Crossroads will make every effort to bring about change in behavior, but as a last resort the child may be dismissed from the school, as we are not

equipped to handle ongoing behavior problems. The use of corporal punishment in the discipline of young people may be necessary in some cases; however, it is not the policy of CCS to administer such discipline. Unacceptable behavior by a child that must be dealt with by the teacher and/or administrator include the following:

1. Any action that interferes with the smooth running of the class, and the learning process of the child and his classmates.
2. Any action that could cause physical or emotional harm to the child, his classmates, or his teachers.
3. Any action that is in direct violation of an established classroom rule or procedure (cheating, fighting, stealing, interrupting, etc.)
4. Any action of willful disrespect.
5. A failure to complete assigned work in a reasonable amount of time.
6. Use of profane language (written or verbal).

---

---

## TEXTBOOK POLICY

---

---

Crossroads Christian School is constantly exploring and reviewing available texts for use in its classes. Our desire is to use the best available textbooks in each subject area that meet our criteria of presenting God's truth. Our criteria does not limit us to using books by Christian publishers but rather to those books that best present the truth of God's creation in an academically sound and morally acceptable manner. Therefore, our curriculum comes from a variety of publishers. Our teachers are instructed to present all subject matter from a Biblical perspective.

## HOMEWORK GUIDELINES

---

We believe homework is important as a valuable aid in helping students make the most of their experience in school. We give homework because it reinforces what has been taught in class, prepares students for upcoming lessons, and helps students develop self-discipline, responsibility, and organizational skills.

Homework will be assigned Monday through Thursday nights and occasionally over the weekend. Most homework will involve reading and writing assignments as well as working math problems.

We feel that parents are the key to making homework a positive experience for their children. Therefore, we ask that you make homework a **top priority**, contacting your teacher if you notice a problem.

Homework is important. Daily grades are often an indicator of faithfulness in doing homework. All students can earn excellent grades for homework by being diligent. No student should be careless in completing homework.

Parents are expected to review homework daily and sign the student's assignment book. Thursday folders need to be reviewed and corrected by students and signed by parents. They are due the following Monday.

### **In the Event of an Absence:**

If you are leaving for any extended vacation, mission trip, etc., please notify your child's teacher 10 days in advance of your trip for assignments. Assignment due dates are to be determined by the teacher. Other absences, (illness, death in the family, etc), will have two make-up days per day of absence. This includes tests.

The student is responsible for getting all homework assignments. This can be done by checking the homework folder outside the homeroom teacher's door:

1. Thirty minutes after dismissal on the day of the absence. OR
2. On the return of the student

When homework is not completed for some reason other than death in the family or illness, teachers cannot be expected to judge the legitimacy of the excuse of the student or parents. **Parents must expect consequences for incomplete homework even when they are the cause of their student's failure to complete assignments. Extra-curricular activities are not an excuse for failure to complete assignments.**

- \* Homework will be checked on the date due to verify that it was completed or will be collected to be graded.
- \* If homework is complete (all questions attempted and directions followed), full credit will be given or grade assigned.
- \*\* If homework is not complete (some questions not attempted or inadequately attempted or directions not followed), partial credit will be given or the grade will be decreased accordingly.
- \*\* If a student completed less than half of the homework or failed to do any of the homework, a zero will be given. The homework, however, is still due on the next day. It will be the **student's responsibility** to show the homework to the teacher before class the next day. Turning in the homework late does not erase the zero, but if only one zero is incurred during the nine week period, the zero will be dropped at the end of the quarter.
- \*\* In the event a student receives subsequent zeros, the teacher will contact the parents.

Homework assignments will consist of the following:

### ***Grades 1-3***

- Drill and practice
- Twenty minutes required reading as specified by teacher
- Reinforcement of skills taught in class
- Some parental instruction will be needed if concepts are not grasped in the classroom

### ***Grades 4-5***

- Drill and practice of skills learned in class
- Independent type work; parent is less directly involved depending on the child's ability
- Assignments designed to develop independent study habits and responsibility
- Some parental instruction will be necessary if concepts are not grasped in the classroom

### ***Grades 6-8***

- Drill and practice
- Assignments developing study skills; first taught in class, assignments will give practice
- Writing assignments
- Projects - choosing a topic, developing a plan, following through (responsibility), presenting the material (written and oral)
- Some parental instruction will be needed if concepts are not grasped in classroom

\*\* Pertains to upper grades

## REPORTING STUDENT PROGRESS

---

---

### ***Grades K-3***

Most educators agree that the use of traditional grading systems in the early grades is unnecessary and could be harmful to the development of children. At Crossroads our desire is for children to be motivated to learn by an intrinsic interest in the creation of God with a desire to know and understand more about Him. When extrinsic motivation is needed, we believe that the encouragement and discipline of Christian parents and teachers will be the necessary catalyst. A performance rating of letter or numerical grades is often not properly understood by a young child. Therefore, we hope to build a foundation where students learn to work for the enjoyment of learning and thus pleasing Christ, not to obtain a grade. To provide written records for verification and in case of transfers, a progress report covering all areas of the child's performance is completed each quarter by his teacher. These are kept in his permanent record and copies are given to the parents.

### ***Grades 4 and above***

Fourth grade is a transitional year. Two subjects are graded numerically, Math and Spelling.

As children grow older, the introduction of a grading system can be helpful in the following ways. It can provide a more objective assessment of the student's progress for his/her parents. Grades can provide the student with some accountability and personal responsibility as he/she grows and matures. Finally, the introduction of grading does help prepare students for the rigorous grading pressures that they will inevitably face once they leave Crossroads Christian School.

Grading will be reported on a 9 week basis. For subjects receiving actual grades, a numerical grade is placed on the progress report. For the other subjects a description of progress is given. Progress reports are given to parents at the end of each 9 weeks. Parents should use their own discretion as to whether to share them with their children.

In Proverbs 12:11 and other passages we read of the importance of diligent effort in all tasks. Recognizing that differing gifts result in differing academic performance, it is our belief that diligent effort should be reported to parents along with academic performance. Parents should be reminded that teachers who make these evaluations are not omniscient, nor do these symbols take precedence over what the parent observes daily in their child's effort in household chores, homework, etc.

## PARENT—TEACHER—STUDENT CONFERENCES

---

---

Teachers will schedule conferences with parents to discuss the child's progress. When possible, both parents are encouraged to attend, but only one is required. Students may be required to be present in order to see the parents and teacher working together to help them learn Christian character and academic skills. Additional conferences may be required during the school year.

## PROMOTION AND RETENTION

---

---

The philosophy of Crossroads Christian School includes acknowledgment that children often develop at different rates and thus chronological age is not the criteria to determine either readiness for school or grade placement. With the aid of testing, parents and teachers will determine the best grade placement for each child including his/her promotion or retention each year. Our desire is the best situation emotionally, academically, spiritually and physically for each of our students.

## PERMANENT RECORDS

---

---

A cumulative record of each child's progress is kept on file. This includes progress reports, previous schooling, medical forms, disciplinary notes, etc. These records are always available to the parents of the child and are kept primarily for documentation in case of transfer and/or promotion. Permanent records are not released by the school when outstanding balances remain on the family's tuition or fee accounts.

## TESTING AND GUIDANCE SERVICES

---

---

Children with unique needs and weaknesses in some areas are often helped through the diagnosis and programs provided by professional Christian counselors. Families desiring special testing services are referred to the appropriate service through the administration of the school. This individual testing is in addition to admission and achievement testing services provided annually for the entire student body.

## QUESTIONABLE CONTENT POLICY

---

---

It is the policy of Crossroads Christian School to guard against the truth of God being distorted in materials in such a way to promote non-Christian beliefs. Because of the diversity and nature of these instances, the school faculty and administrator will use their discretion and pray for wisdom to screen such materials. If a parent has some concern over a specific book, display or illustration, he should report his concern directly to the teacher. Though it is difficult to remove every instance of material that would be inappropriate to every parent, it is our desire to make reasonable decisions that avoid offensiveness. In regard to evil characters such as witches, ghosts and goblins, we recognize their use in both fiction and non-fiction as forces of Satan. Caution is used to keep them in proper perspective as what they are: EVIL, not allowing them to be presented otherwise. As in *The Chronicles of Narnia*, we do believe that such beings are necessary to certain literature in order to produce conflict. Elimination of all evil forces in children's literature is not realistic to true life. Extremes of this principle are avoided, however.

## ENRICHMENT DAY (GRADES 1 AND 2)

---

---

It is the goal of Crossroads Christian School to encourage Christian character in the lives of our children. We parents join with the classroom teachers through our Enrichment Day commitment to advance this end. Parental participation is vital to the success of our school philosophy.

### ***General Goals:***

By participating in well planned Enrichment Day (ED) activities, the students should:

1. Learn useful information through experience (seeing, hearing, touching, doing).
2. Relate their activities to spiritual truth (identifying and emphasizing God's active role in the world around us both past and present).
3. Learn and adopt Christian character traits. (Appropriate school behavior is required.)
4. Develop a closer relationship with class members and their parents. (It is good for children to know that their school friends also honor Jesus in their homes.)

5. Learn proper behavior for a variety of situations.
6. Cover the subjects of science, social studies, fine arts, and health & safety in an activity-oriented, God-honoring way.

### ***Commitment Responsibilities of ALL 1st and 2nd Grade Parents***

Each parent must play a critical role if we are to have meaningful Enrichment Days (ED) that direct our children toward spiritual and intellectual growth. The duties of all parents are as follows:

1. To plan and schedule a minimum of four ED's a year and chaperone one pre-planned field trip, depending on the number of students in the class. One of the four ED's may include a parent-planned field trip relating to the topic being taught, subject to prior approval. (See Field Trip Policies.)
2. To have fathers teach a minimum of one ED a year.
3. To prepare ED planners and submit to the Enrichment Coordinator at Prayer and Share, giving a preview of activities scheduled for the coming month's ED.
4. To evaluate each ED after teaching and return the ED evaluation form to the Enrichment Coordinator no later than one week following the ED.
5. To guide, love, correct, teach, protect and lovingly discipline each child as if he/she were your own child by structuring the time carefully, developing a relationship with the children, encouraging kind and wholesome conversation among the children, and administering corrective discipline when necessary.
6. To promptly and prayerfully call the parent of a child who has **defiantly** resisted your authority when you are the ED teacher after the ED is over. This also includes submitting a discipline evaluation to the administrator as soon as possible.
7. To accept the responsibility as teacher of the whole class when accompanying the children on field trips. It is mandatory that the drivers provide a working seat belt for each student in their vehicle. It is also mandatory that no child is seated behind an air bag (unless the parent is the driver and permits his/her own child to do so). It is also mandatory that 2 parents chaperone each class. *Student Emergency Information Forms* must accompany classes leaving the school grounds.
8. To pay for the expenses of your ED activities (excluding pre-planned field trips).
9. To talk to your own child before the activity about the ED, preparing attitudes and behavior.

10. To arrive at CCS no later than 8:15 a.m. and to remain on campus with your class until all children are picked up.
11. To make sure your child is properly attired for ED in accordance with any school dress codes.
12. To know that **ED student attendance is not optional**. Mandatory attendance is required as on any other school day.

### ***Procedures & Policies for Planning Enrichment Days for 1st and 2nd Grades***

1. Each family will sign the master calendar for their class at the ED Orientation which will be scheduled for a date soon after the beginning of school. These ED may be consecutive to cover all the topics under one theme or may be spread throughout the year covering a variety of topics.
2. Enrichment days are on Friday. The only exceptions to this rule are 1-2 pre-planned field trips per year that are not available on Friday. It is suggested that parents keep Friday mornings as free as possible in order to assist the ED teacher in any way possible, i.e., in the classroom, offering baby-sitting for the ED teacher's younger children, etc.
3. Siblings and younger children should **not** be in attendance on your Enrichment Days.
4. ED assisting, driving on field trips, helping in the classroom when needed, etc. are duties that must be equally shared by all families.
5. If it becomes necessary for an emergency substitute to carry out your planned ED, you must swap for another ED to plan and teach
6. **Allow adequate time for ED planning!** Begin early reviewing available materials in the ED folders. Check in local libraries for books to read. Pray for clear direction!
7. Over plan; it is better to have too much to do rather than too little. Use a variety of quiet seat activities mixed with hands on projects, crafts, games, songs, films, and stories that offer opportunity for movement. A timetable for the activities is helpful to some teachers with notations of activities that can be added or deleted as time allows.
8. Please feel free to incorporate your own ideas and materials into your ED. Talk to those who have taught your topic in previous years. This information can be obtained from the enrichment topic files. Please be considerate to other parents teaching your topic by using our check in/out system and by keeping files for no more than 1 week.

9. Prepare, copy, and distribute the completed ED Planner with all pertinent information on the Monday before your ED to all students in the class.
10. The school office has a reservation form for the use of extra rooms or media equipment (VCR, TV, etc.) in the church. Please plan at least 3 weeks ahead if you think you will need the use of these and go to the school office to make the reservation.
11. Regular students' school supplies such as pencils and scissors will be available for use in the classroom. (This does not include paper).
12. A completed ED evaluation form is to be turned in to the Enrichment Coordinator no later than one week following the ED.
13. When necessary, discipline evaluations are to be acted upon immediately and are to be turned in to the administrator no later than Monday following the ED.

***To insure smooth operation of Enrichment Day, please apply the following rules:***

1. The parents who are in charge of ED must arrive in the classroom at least **30 minutes prior to starting time** (8:15 a.m. normally). This allows 15 minutes for setting up materials. Students begin arriving at 8:30 a.m., and **the parents must be unoccupied and ready to supervise early arrivals with activities.**
2. The tone and atmosphere for the ED is set at the very beginning of the day. If the parent is already set up and ready to offer planned activities as students are arriving, the students are more likely to be controlled and exhibit good behavior. Students should **never** be allowed to run around the classroom, building, or grounds in an undisciplined manner. At 8:45 a.m., start out the day with a devotion and prayer time; then review rules of expected good behavior before you begin teaching your topic for the day. Find out the teacher's morning classroom routine and try to follow it as you begin class (i.e., if they open with the pledge, weather, calendar, etc.).
3. When arriving early on your ED, keep siblings and other CCS students with you until 8:30 a.m. **Never drop off a child to an unsupervised classroom.**
4. When on a field trip, chaperones must have *Student Emergency Information Forms* in their possession at all times. These are located in a designated place in each classroom. Remember, at least 2 chaperones are required for a field trip.

5. Parents must notify the ED teacher if their child is not going to be present on ED. This is considered an official school day absence. **The ED teacher should note any absences on the ED evaluation.**
6. Following the ED, please leave the classroom and restrooms clean, neat and organized. Students are to be picked up at the end of the day in the regular carpool line.
7. The ED teacher or parent should use the same discipline format that the classroom teacher uses during the rest of the week. Any discipline problem that becomes abusive to other children or blatantly disrespectful to supervising adults warrants a phone call to that child's parent to pick up his/her child from ED immediately.
8. Only CCS parents are privileged to teach ED. Any guests that will be on campus and interacting with students must be on the ED planner or phone contact must be made with each student's parents. The speaker must also be approved by the Enrichment Coordinator.
9. Only CCS parents are privileged to chaperone field trips. Any parent requesting to bring a non-CCS guest (for example, a grandparent) must accompany the guest on the trip. Guests cannot be considered chaperones or drivers. A three-day prior approval must be obtained from the Administration.

## **FIELD TRIP POLICIES (ALL GRADES)**

---

---

Field trips will be pre-planned for students in grades 3 and above. They will be scheduled in coordination with the classroom teacher in an attempt to enhance the curriculum. In addition to the out of classroom field trips, students will be challenged and enriched with in-class activities planned by the teacher and executed by teacher and parents working together.

1. Field trip attendance is mandatory and should be regarded by parent, student, and teacher as a regular school day.
2. An attempt will be made to schedule one field trip per nine week quarter (4-5 per year); however, some field trips must be scheduled based on availability.
3. Each family is required to fulfill their obligation to CCS by chaperoning or assisting on one or more field trips. Sign-up will take place at the beginning of the school year for all confirmed field trips.

4. Proper behavior is required. Any student who acts inappropriately on a field trip will lose his or her privilege to participate in the next field trip. Parents will also be notified as soon as the class returns to school. Immediate discipline should be administered at the time of the offense by the supervising parent. The “PEARL” rule outlines acceptable behavior by Crossroads students. See EXPECTED BEHAVIOR-”PEARL” RULE (page 26, #12)
5. All expenses will be the individual responsibility of the families in the class. Field trip fees will be paid in advance for scheduled field trips at the beginning of the school year. There will be no refunds for any missed field trips. (Fees vary by grade and year). Student fees for field trips will include fees for required chaperones.
6. *Student Emergency Information Forms* must be taken by the chaperone on all field trips. Please remember to return the forms to their proper place on return from your field trip.
7. As much as possible, field trips will be scheduled within the hours of a regular school day.
8. Field trips are scheduled by grade level field trip coordinators with input from teachers and parents. Field trip information will be distributed by the classroom field trip coordinator, who may delegate to a parent-teacher-leader of the field trip.
9. Each field trip shall have a **minimum of two parents or staff members present at all times**. The ratio of student to adult should not exceed 5-1 on most field trips. Each field trip should have a leader and assistant with the possibility of several helpers.
10. In case of injury or illness on a field trip the following steps should be followed:
  - Stay Calm
  - Determine if it is a life-threatening problem. If so, call 911.
  - Contact parents immediately.
  - Ask parents or child’s doctor what first aid could be administered while waiting for the parent to arrive.
  - Call school to notify if the class will be late returning.

### **Overnight Field Trips (Grades 5 - 8)**

1. Overnight field trips will be taken by 5th—8th grades only.
2. There shall be no more than a 1/2 day’s travel on any field trip.
3. Cost will be approximately \$200 with a cap of \$250.
4. Gas allowance for drivers is to be included in the field trip costs for overnight trips only.

5. There will be only one overnight field trip per year.
6. Fundraising for overnight field trips is acceptable, provided there is a fundraising chairperson who is responsible for overseeing fundraising duties as well as accounting for monies raised. Monies raised will only be available to those who have participated in the fundraising events.
7. Two female and two male chaperones are required for all over night field trips.

### ADDITIONAL FIELD TRIP GUIDELINES (ALL GRADES)

1. All students must first go to their classroom and be seated. While attendance is taken, take a few minutes to go over what kind of trip has been planned. Insist that they sit quietly and listen to the explanation. Ask them if they have any questions and require that they raise their hand to be called on. Go over the ground rules of the behavior expected of them and pray before you leave.
2. If food or drinks are necessary, please send them in disposable containers so parents will not have to keep up with lunch boxes and thermoses. If the day is hot, send the drink frozen and omit any foods that could spoil in a parked car. Do not send messy foods (sticky, drippy, crumbly) in the car.
3. Check that all students are dressed appropriately for the field trip. According to the Dress Code, if a student is not dressed in his/her royal blue CCS polo shirt and khaki pants, the student's parent must be called to come and take the student home and not participate in the field trip.
4. Allow restroom time before departing.
5. **Assign** students to cars or vans and have them walk in a quiet orderly line as they go.
6. Keep your copy of the *Student Emergency Information Forms* with you whenever you are leaving the school grounds. Please return them at the end of the day to the same place that you found them. First aid kits are to be taken on each field trip and are available at CCS.
7. Please **give each student his own seat belt**. It is **not acceptable** to double-buckle or squeeze in extra children for a school sponsored activity just to minimize the number of cars that are driven. **No student should be placed in a front air bag seat**. The only exception is that a parent driver may choose to allow his/her own child to do so.
8. Once in the car, seat belts on, it is recommended that you have activities to occupy the students such as children's praise tapes, story tapes, written

activities or verbal games (i.e. categories) etc. Movies are not to be shown on any trip less than two hours travel (usually only overnight field trips). All movies must be approved in advance by the school administration.

9. When you reach your destination, **INSIST** that the students stay in an orderly line, listen to directions, and **RAISE THEIR HANDS** for questions. Teach them to say **“Thank you”** to the host/hostess!
10. Please be aware that departure and arrival times must be strictly adhered to due to time constraints. Failure to arrive on time could result in your child being left. Have the students assemble for the carpool line as on a usual school day and wait for their name to be called.
11. If time allows outside play, structure the games and supervise closely.
12. Expected Behavior—”PEARL” Rule (All Grades)
  - P - Politeness:** to one another and the parents in charge; use respectful title to authorities (“Yes sir”, etc).
  - E - Example:** set a good example for others. Follow general school rules (i.e., no running or talking in the halls).
  - A - Attitude:** have a good attitude and a cooperative attitude.
  - R - Respect and raise hands:** raise hands to talk in the classroom unless permission is given to talk out at random.
  - L - Listen:** to instructions and to the adults in charge; follow instructions the first time.
13. Poor behavior must be handled by any supervising adult. Discipline would be best issued at the time of the offense. Even if discipline is withheld until after the event, it should not be eliminated. Any administered discipline (time out, repeated verbal correcting, etc) should be reported immediately by the parent in charge to:
  - the parents of the misbehaving student by a direct phone call.
  - noted in detail on the ED or field trip evaluation form.We can only keep our commitment to building Christian character when all parents are willing to properly supervise and promptly discipline the students.
14. The teacher or parent should use the same discipline format that the classroom teacher uses during the rest of the week. Any discipline problem that becomes abusive to other children or blatantly disrespectful to supervising adults warrants a phone call to that child’s parent to pick up his/her child from the field trip immediately.

15. If you are on a field trip and behavior becomes disruptive and unacceptable, call home if possible. If not, separate the child as much as you can and let the parent know upon arrival back at school.
16. If you know your child will not be participating in a field trip, you must notify the teacher and the field trip coordinator at least 2 weeks in advance (barring illness). The student must complete an appropriate assignment given by the teacher in lieu of the field trip. Absence from a field trip *is* considered a day of absence from school.

# SECTION FOUR

## *Administrative Policies*

## MEETING COMMITMENT OF CCS SCHOOL PARENTS

---

We believe that God has given parents the responsibility for educating their children and that parents should take an active role in the process. Part of that responsibility and active role is to meet together to pray for the students, teachers and other parents; to plan and participate in the education process; and to gain skills for their role as parents-teachers.

The following schedule is planned for the school year:

- Enrichment Day Orientation (August), first and second grade only.
- Prayer and Share (monthly)
- Parent-Teacher conferences

It is expected that parents will attend all meetings in accordance with their signed *Crossroads Christian School Family Commitment Agreement*. Child care is not provided, therefore parents are encouraged to make arrangements for child care. If two or more absences at these meetings occur, it will result in contact from a parent board member, and may result in re-evaluation of your child's enrollment at CCS.

## RESPONSIBILITIES OF CLASS COORDINATORS

---

Each class will have a class coordinator, appointed by the Parent Board. They are responsible for the oversight of all activities outside the classroom. Their primary function is to lead the monthly Prayer and Share meeting. Other responsibilities of the class coordinators will be:

1. To attend the class coordinator orientation prior to the first parent's meeting in order to assist in the orientation of all parents to their responsibilities.
2. To review the written agenda during Prayer and Share, in coordination with the teacher.
3. To turn in a Prayer and Share attendance record to the school office.
4. To act as a liaison between the teacher and the parents, i.e., initiating phone or email communication chains to relay messages.
5. To sign up parents to provide assistance to the teacher for "other jobs" in the classroom, and distribute the completed list to all parents, appropriate teachers and the school administrator.

6. To supervise parents assigned to plan Enrichment Day by distributing the Enrichment Day planner/evaluation forms.
7. To distribute monthly Enrichment Day updates at Prayer and Share, writing in any pre-scheduled events and pre-planned Enrichment day activities. Copies should be given to the teacher and all parents in the classroom.
8. To keep a record of who has participated in which Enrichment, who has signed up for “other jobs” in the classroom, and who is responsible for the teacher appreciation gift each month.

## **SCHOOL DAY SCHEDULE**

---

---

The school hours are 8:30 a.m. to 12:30 p.m. on Tuesday through Friday for **Kindergarten**, and Monday through Friday for **grades 1 and 2**. **Third grade** hours are 8:30 a.m. to 12:30 p.m. on Monday and Friday, and 8:30 a.m. to 2:40 p.m. on Tuesday, Wednesday and Thursday. **Grades 4—8** are in class from 8:30 a.m. to 2:40 p.m. Monday through Thursday and 8:30 a.m. to 12:30 p.m. on Friday. Students will be considered tardy if they are not seated and prepared for class by 8:40 am. Punctuality is greatly encouraged to teach our children to be dependable and good stewards of their time. We recommend arrival promptly at 8:30 a.m. to prepare for the day.

## **ATTENDANCE POLICY**

---

---

As part of their commitment to Crossroads Christian School, parents agree to have their children in attendance on designated days (including Enrichment Days and field trip days). Since the number of school calendar days is limited, it is even more imperative that families plan so as to miss as few of these days as possible. Though we want families to spend time together, it is difficult for our teachers to meet the educational objectives of our school without consistent attendance. Specifically, we ask that illness, death in the family, and special family events (weddings, etc.) be the only acceptable reasons for non-attendance. Trips should conflict with school only when other arrangements cannot be made. A ten day prior notification to the classroom teacher is required. Parents are responsible for calling the school by 9:30 am if their children will not be in attendance that day. **Children who miss 20 or more days of school for any reason are subject to retention (this includes absences from Enrichment Day and field trips).**

Parents who do not give prior notification to the teacher will be responsible for all assignments missed without direction. In either case, parents are responsible to see that the student completes all missed assignments. Progress reports will be withheld until all work is completed. *Please refer to “Homework Guidelines” regarding homework pickup.* Students returning to school after being absent for any reason must bring a written excuse from home signed by the parent or guardian.

Please be thoughtful of the other students in the class & do not allow your child to return to school until he is healthy and fever free without medication for 24 hours.

### TARDY PROCEDURE

---

---

1. Students will be considered tardy if they are not in the classroom, prepared for class by 8:40 am. Teachers keep a record of tardiness in their attendance records; days accumulate throughout the school year.
2. If a student is late on three occasions, the teacher will send a note home to the parents in the student’s Thursday folder.
3. If a student is late on five occasions, the teacher will notify the Administrator. The Administrator will contact the family to encourage punctuality.
4. If a student is late seven times, the Parent Board will be notified. A letter will be sent to the parents outlining consequences which could include morning detention.

### ARRIVAL AND PICK-UP POLICY

---

---

Parents are asked to drop off students at school at 8:30 a.m. If in special cases earlier drop off is needed, please contact the child’s teacher in advance. Though teachers are in their rooms prior to this time, some preparation and prayer time is needed before students arrive. Please do not bring students before the designated drop off times. Those students arriving after school start times should be **escorted** to the student’s classroom by the parent.

Pick-up in the afternoons should run no later than 15 minutes after dismissal. Teachers are not required to supervise children after this time. There is a \$5 late fee that parents are required to pay to the teacher after 15 minutes. The teacher is required to report to the administrator late pick-ups.

***Early Release Policy***—If it is necessary to pick up your child before dismissal time, please send a note rather than making a phone call to your child’s teacher during school hours with reason and dismissal time. Please check students in and out of class through the school office. Other than for emergencies, early dismissal should only be necessary for such things as doctor appointments that are not available before or after school. Keep in mind that CCS offers shorter school hours that should assist families with appointment schedules, etc.

## EMERGENCY WEATHER AND CLOSING OF SCHOOL

---

---

In the event weather conditions make it impractical or dangerous to have school, our school will follow any closing announced by the **Fayette County** public school system. Parents should keep in touch with the school when severe changes in the weather are occurring during the school day. A phone chain may be utilized for a closing necessary for reasons other than severe weather.

## CITIZENSHIP

---

---

Students are urged to honor, respect and obey governmental authorities and to be patriotic (Romans 13). The pledge of allegiance to the United States flag is recited daily, and some classes recite the pledge to the Christian flag. When reciting these pledges, students are taught to stand erect, face the flag and place their right hand over their heart. Parents will want to reinforce these practices in real life situations.

## **DRESS CODE**

---

---

At CCS, our students do not wear uniforms or “standardized dress.” Though the outward appearance is not as important as the condition of a child’s heart, it is a reflection of how one views himself and adheres to Biblical principles of proper dress. Children need guidance in selecting attire that would meet these standards. A student’s dress is overall a parental responsibility, but the school can help by setting appropriate standards for school dress. It is imperative that the established dress code of the school be accepted and enforced consistently by both the parents and school staff. This enables all to focus on the other aspects of Christian education. The dress code is based on the following priorities:

- 1) To set an atmosphere that reflects the importance of the teaching and learning process
- 2) To build character and wisdom in the selection of attire that exhibits modesty, neatness, cleanliness, self-discipline, and humility
- 3) To allow for choices within a framework that permits some individuality, avoids extremes and encourages selection from current fashions that meets Biblical standards without isolation from the world
- 4) To allow students to practice the fine art of decision-making in the safe covenant setting of family and school, rather than having these decisions made for them

### **GENERAL APPEARANCE**

- 1) Hair should be neat and well-groomed, and worn in a way that does not distract from the education process.
- 2) Hats should not be worn in the classroom, except on special designated “hat days.”
- 3) Nice warm-ups are acceptable.
- 4) Clothing that is torn, worn out, baggy, tight, or revealing is unacceptable.
- 5) Dresses and shorts should have a hem and extend below the fingertips when standing.
- 6) Shirts should not extend below the fingertips or above the waistband.
- 7) Strapless shirts or shirts with spaghetti straps are not permitted.
- 8) Shoes must have a closed toe, and a heel strap or closed heel. Please be safety-conscious when selecting school shoes.
- 9) Any item that is distasteful, provocative, or has inappropriate symbols, slogans, pictures, or patches is unacceptable.

**Parents are asked to support the school administration as the final authority in matters of appropriate dress and appearance at school and at school functions.**

## IMMUNIZATIONS

---

---

Before a student may enter Crossroads Christian School, a Certificate of Immunization or a waiver signed by the parents must be submitted. This form is required of all new Kindergarten and First grade students and may be obtained from your doctor or the County Health Department. Children who transfer to Crossroads in a later grade are asked to present a copy of this form as well. Records of immunization for older students may be required as determined by the Department of Human Resources.

## USE OF MEDICATIONS

---

---

1. No internal medicine of any kind will be administered by the teacher unless specific written instructions are given personally to the teacher by the parent, or as noted on the *Student Emergency Information Form*.
2. Parents who give their children responsibility for properly taking their own medicine are asked to inform the teacher and the school office in writing.
3. Parents must give written information to the teacher concerning any allergies or other conditions that might require special attention.

## ACCIDENT AND INJURY PROCEDURE

---

---

1. In the cases of minor accidents involving injury, first aid will be administered by the teacher. An accident report will be filled out for all major injuries.
2. In case of more serious injury, parents will be contacted immediately.
3. Where emergency, on-the-spot treatment is needed, both parents and emergency crews will be summoned immediately.
4. In cases where neither parent can be contacted and medical treatment is needed, the family must have signed the *Student Emergency Information Form* which permits the school to use its best judgment in contacting a physician or transporting the student to the hospital.

# SECTION FIVE

## *Financial Policies*

## FINANCIAL STRUCTURE

---

---

We believe it is primarily the responsibility of the student's parents to provide for the financial requirements of the school through tuition and donations. However, the church and the Christian community who also benefit from the school may assist in its support.

We desire to keep tuition as low as possible. Tuition and fees do not cover all costs of the school, so donations and fundraisers may be necessary to cover expenses.

### TUITION RATES AND FEES

---

---

The following describes the various fees that are assessed each family to meet the noted expenses at Crossroads. Specific fee amounts are subject to change.

#### **Non-refundable One Time Fees:**

***Application Fee:*** to accompany application for each child. This covers administrative processing costs.

***Re-enrollment Fee:*** Due at re-enrollment.

***Admissions Evaluation Fee:*** All students will undergo a developmental readiness evaluation for grade level placement.

***Field Trip Fee:*** Varies in each grade level.

#### **Annual Fees:**

***Book Material & Usage Fees:*** Fees are used to cover the cost of teacher and curriculum supplies and textbooks purchased during the summer. Late fees will be applied if payment is delinquent.

#### **Damaged/Missing Book Policy**

Books must be returned at year-end in good condition. If books are not returned or returned in damaged condition, the following fees will apply, based on the age of the book:

- 1st year - 100% of the cost
- 2nd year - 80% of the cost
- 3rd year - 60% of the cost
- 4th year - 40% of the cost
- 5th year - 20 % of the cost

***Tuition Fees:*** Tuition is payable in 10 monthly payments. Any payment received after the 5th of each month will be charged a \$50 finance charge. Tuition may be paid in full.

***Sustaining Fee:*** The cost of operating Crossroads Christian School exceeds tuition and fees and requires the use of a Sustaining Fund. The amount of this fund is determined annually by the Parent Board and is due on May 1, at the end of the school year. Each family will contribute \$500 be paid in one of the three following ways: annually, added to regular monthly tuition payments, or through fundraising. Parents, relatives, and friends may donate funds directly to this fund or participate in various fundraising activities organized by volunteer parents throughout the school year. By participating in these fundraisers to support their quota in the Sustaining Fund, tuition and fees at Crossroads can remain as affordable as possible for all parents.

**Outstanding Debt:**

Student's records will not be released until all financial obligations are met. Your student's re-enrollment is contingent upon all previous school year's financial obligations being satisfied.

# SECTION SIX

## *Appendix* *Family Commitment* *Agreement*

## FAMILY COMMITMENT AGREEMENT

---

---

Upon acceptance into Crossroads Christian School, each parent is required to sign the following family commitment agreement. Please consider carefully and sign only if you can be firmly committed on all points.

1. We, as the parent(s) of \_\_\_\_\_, accepting the responsibility for training our child(ren) according to the precepts of Scripture, do affirm that this training is carried on in the home and the church where we serve as members in good standing.
2. Prior to scheduling an interview, we agree to have listened to the CD on the school's philosophy and have read *For the Children's Sake*, by Susan Schaefer Macaulay.
3. We have carefully examined and agree with the Christian purpose and educational philosophy of Crossroads Christian School and desire the school to work with us in the total education of our child(ren).
4. In full cooperation with the school's Parent Board we commit to have at least one parent in attendance at the Prayer and Share meetings every month, with both parents attending together whenever possible. We acknowledge prayer and the building of community in the classroom to be an essential part of the school.
5. We agree to lead the Friday Enrichment days when it comes our turn to do so. In the upper grades we commit to assist the teacher in the educational experience as outlined in the principles of operation. We also pledge to faithfully work with our child(ren) to ensure completion of homework assignments.
6. We pledge our loyalty to the aims and ideals of the school and will bring any and all questions and criticisms directly to our child's teacher so that they may be properly dealt with by those in authority. When we have appropriate suggestions and input to improve the school, we will take these to the Parent Board in writing.
7. The teachers and administration are given full discretion in the discipline of our children within the guidelines stated in the *Crossroads Christian School Code of Discipline*.
8. We understand that Crossroads Christian School is a non-profit ministry operating on the principle of faith. Tuition is kept as low as possible to make Christian education available to those who desire it for their children. Tuition and fees may not cover all costs; therefore, additional funds are needed through gifts, donations, and fund raising activities. We purpose, therefore, to

9. We agree to pay our tuition and fees when due. We realize that a \$30 late fee will be charged when tuition is received past the 5th of each month. A student whose family is consistently delinquent in tuition payments may be subject to dismissal from the school. Late payments are reviewed monthly by the CCS Parent Board.
10. We understand that this *Family Commitment Agreement* is also a binding financial obligation for the full payment of tuition for the entire school year. Should withdrawal from the school be necessary, we will follow the withdrawal policy as outlined in section 2 of the CCS Handbook. We understand that penalties may apply.

We have carefully read this *Family Commitment Agreement*, along with the *Principles of Operation*, and hereby agree to its terms:

Crossroads Christian School admits students of any race, color, national or ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national or ethnic origin in administration of its educational policies, admissions policies, scholarship programs, and other school administered programs.
